## *Dedication*

In appreciation for his cheerfulness, friendliness, and willingness to help others, we hereby dedicate this our 1952 - 53 Prorenata, to Mr. R. E. Crowe, who means much to each student and fellow faculty member at Quitman High School.

---

---

# Principal's

## Message

May we as a faculty resolve in these rather trying times of confusion and chaos all over the world to cherish as our primary goal the molding of a better citizen for tomorrow. May our student body ever strive to grow into the stalwart, useful American our democratic society so sorely needs.

Working together as a unified group, we can accomplish this, and in the future be proud of what we have done. Therefore, trusting in God as our only source of strength, we will hold high these ideals and dare anyone to rob us of our dream.

*C. W. Aswell*

C. W. Aswell, Principal

## *Foreword*

If, in turning the pages of this book, you recall some of the happiest hours, the best loved scenes, and the valued friends of the past year; and if the pictures we have chosen will help to make your memories of your high school days more vivid throughout the passing years, then our purpose in publishing this annual has been fulfilled.

"A Good Company to Work for ..."

That's the expression you'll often hear among members of Louisiana Power & Light Company. And we're mighty proud, too, for we've worked hard to earn that reputation.

Our group life insurance, hospitalization, sick leave, and retirement programs rank with the best in the nation, and you'll find our members' earnings compare very favorable. But there's more, too--a friendly spirit of cooperation among our members in making a good company even better.
